

## SPECIAL COMPASS MISSION

Special Compass envisions a world in which differently-abled people have the opportunity to participate fully in a wide range of community and athletic activities, enhancing their confidence and sense of self. We do this by pairing volunteer "Power Buddies" with people who are not able to propel themselves so they can experience the thrill and camaraderie of crossing the finish line as part of a team.

## COME JOIN US!

Come out to meet the friends, Power Buddies and Special Needs Athletes who contribute to all that they are doing on behalf of Special Compass. Your support will help keep so many individuals spirits up and fuel their resolve.

Get a foursome together or just come on your own. Either way you won't want to miss out on a FUN day of golf for such a great cause. We thank you for helping and supporting Special Compass.

## ABOUT SPECIAL COMPASS

Special Compass creates life-changing experiences for the differently-abled by promoting inclusion in the community using athletic events, and building opportunities for independent living.
