

SPECIAL COMPASS MISSION

Special Compass envisions a world in which differently-abled people have the opportunity to participate fully in a wide range of community and athletic activities, enhancing their confidence and sense of self. We do this by pairing volunteer “Power Buddies” with people who are not able to propel themselves so they can experience the thrill and camaraderie of crossing the finish line as part of a team.

We are pleased to introduce “Special Compass Living” which is a project to serve the “Differently Abled” by providing affordable independent living. The environment is designed with a new standard of Barrier-Free Navigation for wheelchairs and other adaptable equipment. Currently, we are working on land in Pembroke Pines. Funds from the Golf Tournament will support costs associated with Phase One.

COME JOIN US!

Come out to meet the friends, Power Buddies and Special Needs Athletes who contribute to all that they are doing on behalf of Special Compass. Your support will help keep so many individuals spirits up and fuel their resolve.

Get a foursome together or just come on your own. Either way you won't want to miss out on a FUN day of golf for such a great cause. We thank you for helping and supporting Special Compass.
